

84-month/100,000-mile limited warranty¹ covers 464 components, including the following:

- Engine: Cylinder block and heads and all internal lubricated parts, manifolds. Timing gears and chain or belt, flywheel (automatic transmission), engine valves, oil pan, timing chain cover, oil pump, engine mounts, seals and gaskets. Water pump and thermostat, harmonic balancer, electronic concentrated engine control system module. Emission-control air induction system.
- Turbocharger: Turbocharger housing and all internal parts, valves and actuators, seals and gaskets.
- Transmission: The transmission case and all internal parts, including the torque converter, vacuum modulator, electronic control units, oil pan, transmission mounts, seals and gaskets. Transfer case and all internal parts. Clutch master cylinders, clutch operating cylinder and booster, seals and gaskets. Shiftlock system. Drive axle: Front-wheel drive: Final drive housing and internal parts, axle shafts, constant velocity joints, seals and gaskets. Torque arm, anchor arm. Rear-wheel drive and four-wheel drive: Rear axle drive housing and all internal parts, propeller shaft(s), universal joints, axle shafts, axle bearings and retainers, locking hubs, constant velocity joints, seals and gaskets.
- Body electrical: Ignition module, ignition switch, electronic spark control detonation sensor and controller. Fuel system: Fuel pump, control units and fuel injectors, throttle body injection system.

There is a \$50 deductible on covered repairs, including parts and labor. Naturally, Genuine Nissan Parts² will be utilized to cover repairs – not inferior substitutes. Additional benefits include nationwide service locations through any authorized Nissan dealership (excluding U.S. territories), with all repairs performed by Nissan-certified technicians. To obtain service in the US, contact your nearest Nissan dealer or call 1-800-NISSAN-3.

Roadside Assistance³ 24-hour Toll-Free Roadside Customer Assistance Number for 84 months or 100,000 miles (whichever comes first) from your vehicle's original in-service date. Plan offers emergency road service for minor disablements like a flat tire or dead battery. In these cases, we'd boost your battery or change your tire using your spare. Small amounts of gas can also be delivered. Towing benefit – up to \$100 per claim, if a covered part fails.

Car rental reimbursement covers rental costs up to \$35 a day, for up to 5 days.

Trip-interruption coverage³ – Up to \$500 per incident, if your vehicle is inoperable due to a covered mechanical breakdown and you are more than 100 miles from home.

Optional Security+Plus[®] Pre-Owned Preferred contract provides additional coverage that “wraps” around the Certified Limited Warranty. A total of 1,349 components are covered including: Engine, Transmission, Drive Axle, Steering, Suspension, Electrical, Brakes, Air Conditioner/Heater, Body, Interior, and OEM Audio/Visual. Terms of 84 months and 100,000 miles. Ask your Sales Consultant about this beneficial option.

SHIFT_confidence

¹84-month/100,000-mile limited warranty from original in-service date. Under normal driving conditions with routine fluid and filter changes. See your owner's manual for details. ²Any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. ³Roadside Assistance/Towing Assistance/Trip Interruption is provided for a period of up to 84 months from the original in-service date or 100,000 miles on the vehicle's odometer, whichever comes first. Always wear your seat belt, and please don't drink and drive. © 2008 Nissan North America, Inc. Printed in USA. 03/08. Reorder number 09109.

Buy smart.
Own confidence.

- Trip-interruption coverage (car rental, hotel, food)²

Financial services you can rely on

- Competitive rates
- Easy payment options
- 24-hour account access

With a vehicle title history, title insurance, and quality assurance inspection, a Certified Pre-Owned Nissan is finally ready for you to put it to the test.

Every Certified Pre-Owned Nissan is backed by more than our word. First, a vehicle title history through TitleGuard+Plus helps ensure against hidden DMV title defects like salvaged vehicles, title fraud/forgery, evidence of odometer rollback, stolen vehicles and more.

After the paperwork checks out, it's time to get our hands dirty. Each Certified Pre-Owned Nissan must pass our award-winning, rigorous 145-point inspection covering everything from the engine and drivetrain to the seats and interior. This inspection confirms that the quality and condition of the vehicle meets or exceeds our own criteria. Even after it passes the vehicle title history and our own inspection process, it still must pass the most important test – yours.
